

Guidelines for Using GreenPro Logo

The broad guidelines for use of GreenPro logo are as follows:

- The registered trademark symbol TM must always be visible on top right corner of GreenPro logo and should be readable
- Do not redesign, redraw, animate, modify, distort or alter the proportions
- Do not add words, images, or any other new elements
- Do not replace the approved typeface with any other typeface
- Do not change the colours
- Do not tilt or rotate
- Design, size and colour palette of GreenPro / Logos
 - The GreenPro logo cannot be printed, published or used in a smaller dimension than mentioned. Larger logos can be created by proportionately increasing the size of the logo i.e. the height-width ratio must always be a constant.

The GreenPro logo communicates a strong association with the green features of the product. It signifies an enhancement in corporate and personal image. It also leads to a positive differentiation of a product. Finally, it leads to an enhanced awareness about the environmental initiatives amongst all stakeholders.
