Confirmation regarding Organic Cotton certification

To whom it may concern

We herewith confirm that we are currently supporting **GTN Engineering (India) Limited Unit: GTN Spinning Mills from Baramati** with the transition process of their OEKO-TEX® STANDARD 100 certificate ZHYO 229022 for organic cotton, which expired on 15.11.2024, to a new certificate according to the new OEKO-TEX® ORGANIC COTTON requirements.

This confirmation is valid until **31.03.2025** and cannot be used as a certificate replacement.

Yours sincerely,

Swiss Textile Testing Institute
