As the Company did not have any long-term leases, the adoption of this Standard did not have any impact on the loss for the quarter and year ended 31st March, 2020.
- 4) Technological Upgradation Fund scheme ('TUF') rebate for earlier years amounting to Rs. 276.16 lakhs out of total amount of Rs. 408.91 lakhs shown as receivable, is under verification by Joint Inspection Team ('JIT') set up by the Union Ministry of Textiles.

The Company has since, after receiving applicable permissions, commenced operations at its manufacturing facilities and is scaling them up gradually. In assessing the recoverability of trade receivables measured at amortised cost of Rs. 2431.84 lakhs and realisation of inventories of Rs. 6185.18 lakhs, apart from considering the internal and external information up to the date of approval of these financial statements, the Company has also performed sensitivity analysis on the assumptions used and based on current indicators of future economic conditions, the Company expects to recover the carrying amount of these assets. Basis for Opinion

We conducted our audit of in accordance with the Standards on Auditing specified under Section 143(10) of the Companies Act, 2013 (the 'Act') (SAs). Our responsibilities under those Standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India (ICAI) together with the independence requirements that are relevant to our audit of the financial results under the provisions of the Act and the Rules made thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

We draw your attention to Note 6 of the financial results, with regard to Management's assessment of inter alia, realisability of inventories of Rs. 6185.18 lakhs and recoverability of trade receivables of Rs. 2431.84 lakhs, due to COVID 19 pandemic outbreak. The impact of the global health pandemic may be different from that estimated as at the date of approval of these financial statements. Considering the continuing uncertainties, the Management will continue to closely monitor any material changes in economic conditions as may pan out in future.

Our report is not modified in respect of this matter.

Management's Responsibility for the Financial Results

These quarterly financial results have been prepared on the basis of the annual financial statements. The Company's Board of Directors are responsible for the preparation of these financial results the give a true and fair view of the net loss and other comprehensive income and other financial information in accordance with the applicable accounting standards prescribed upon section 133 of the Act, read with relevant rules issued thereunder and other accounting principles prefails accepted in India and in compliance with Regulation 33 of the Listing Regulations.

This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial results that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial results, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The Board of Directors are responsible for overseeing the Company's financial reporting process.

Auditor's Responsibility for the Audit of Financial Results

Our objectives are to obtain reasonable assurance about whether the financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial results, whether due to fraud or
 error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is
 sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material
 misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve
 collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal financial controls relevant to the audit in order to design audit
 procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act, we are also
 responsible for expressing our opinion on whether the Company has adequate internal financial controls
 system in place and the operating effectiveness of such controls.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

Materiality is the magnitude of misstatements in the financial statements that individually or in aggregate makes it probable that the economic decisions of a reasonably knowledgeable user of the financial statements may be influenced. We consider quantitative materiality and qualitative factors in (i) planning the scope of our audit work and in evaluating the results of our ways to evaluate the effect of any identified misstatements in the financial statements.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Other Matters

- (i) On account of the COVID 19 related lockdown restrictions, management was not able to perform year-end physical verification of inventories. The Management has however, conducted inventory verification subsequent to the year-end and broadly related it back to the year-end inventory. We were not able to physically observe the said stock verification carried out by the management. Consequently, we have performed alternative audit procedures to audit existence of inventory as per the guidance provided in SA 501 "Audit Evidence Specific consideration to Selected items" which includes cyclical counts performed by the management during the year, roll forward procedures and their supporting documents relating to purchases, production and sales and have obtained sufficient audit evidence to issue our unmodified opinion on these financial results.
- (ii) The Financial Results include the results for the quarter ended March 31, 2020 being the balancing figures between audited figures in respect of full financial year and the published unaudited year to date figures upto third quarter of the current financial year which were subjected to limited review by us.

Our opinion is not modified in respect of these matters.
